10th January 2025

Parkers Lane Tie-in – Overnight works and closure of the A140

Dear neighbour,

We are writing to inform you of upcoming overnight works and a required closure on the A140 in February 2025, essential to the progress of the Long Stratton Bypass Project. This closure will facilitate the works required to connect the existing A140 to a reconfigured Parkers Lane junction which will connect to the main bypass carriageway.

Ipswich Road (A140) between TCG Scaffolding Services and Wood Lane junction is scheduled to be completely closed to traffic from **20:00pm on Wednesday 5th February 2025** until **06:00am on Thursday 6th February 2025**. The highway authority will not allow for this work to be completed under a daytime closure of the A140 during peak hours.

Aspects of the works required are weather dependant or could be adversely affected by other events out of our control, therefore, an additional closure is authorised from **20:00pm on Thursday 6th February 2025** until **06:00am on Friday 7th February 2025**, if required, as a contingency to complete the works. A signed diversion route will be in place throughout the duration of the closure and updates will be provided if significant changes to the plan occur.

We thank you in advance for your patience and cooperation whilst we complete these necessary works. If you have any queries, please do not hesitate to get in contact using the details below.
